

Curriculum Vitae

Sun-Young Kim, PhD

1 Gwanak-ro, Gwanak-gu, Seoul, Republic of Korea
Tel: +82-2-880-2768, Email: sykim22@snu.ac.kr

Education

Harvard University Graduate School of Arts and Sciences PhD (Health Policy; Specialized area: Global Health, Track: Decision Sciences)	2006
Seoul National University Graduate School of Public Health MPH (Hons. Health Policy and Management; Health Economics)	2000
Seoul National University College of Pharmacy BS (Hons. Pharmacy)	1995

Academic Appointments / Employments

Seoul National University Graduate School of Public Health Professor / Associate Professor / Assistant Professor	2016-present
University of Texas School of Public Health Assistant Professor	2012-2015
U.S. Centers for Disease Control and Prevention (CDC) Consultant	2011-2012
Harvard School of Public Health Department of Health Policy and Management Research Scientist (Core Faculty Member)	2008-2010
Harvard Initiative for Global Health Senior Research Fellow	2006-2008

Other Experiences

Max Planck Institute for Comparative Public Law and International Law, Germany Visiting Scholar	2021.12-2022.2
Heidelberg Institute of Global Health, Heidelberg University, Germany Visiting Professor	2021.8-2022.2

Professional Services

Academic Institutions

Deputy Vice President, SNU Office of International Affairs	2023-2024
Vice Director, SNU Institute of Health and Environment	2022-2025
Director/Vice Director, SNU Center for Global Health Research	2016-present

Advisory Committees

Member, Advisory Committee on Immunization and Vaccines Implementation Research (IVIR-AC), WHO	2022-2027
Member, Expert Committee for Evaluation, Committee for International Development Cooperation (CIDC), Korea's Prime Minister's Office	2022-2024
Member, Advisory Committee for the Health Sector, Korea International Cooperation Agency (KOICA)	2021-2023

Member, Peaceful Unification Advisory Council, Korea's Presidential Office	2021-2023
Member, Technical Advisory Committee, National Evidence-based Healthcare Collaborating Agency (NECA)	2018-2023

Expert Panels

PAHO (Pan American Health Organization) Expert Panel for ProVac	2013
PAHO ProVac Expert Panel for pneumococcal/rotavirus vaccines	2009

Academic Associations

Member, Korean Academy of Development Policy	2022-
Committee Member, Academic Society for Appropriate Technology	2021-2024
Board Member, Korean Academy of Health Policy and Management	2020-
Executive Board Member, Korean Society of Global Health	2019-
Executive Board Member, Korea Association of Health Economics and Policy	2018-
Board Member, Korea Association of Public Health	2016

Academic Journals

Academic Editor, PLOS Global Public Health	2021-
Vice Editor-in-Chief, Journal of Global Health Science	2018-2019
Editorial Board Member, Supplementary Issue to Vaccine	2014
Editorial Board Member, Supplementary Issue to Vaccine	2012
Editorial Board Member, Medical Decision Making	2010-2016

Ad Hoc Journal Reviews

- Bulletin of the World Health Organization
- Lancet Infectious Diseases
- npj (Nature Partner Journals) Digital Medicine
- PLOS One
- PLOS Global Public Health
- PLOS Neglected Diseases
- Medical Decision Making
- American Journal of Public Health
- Preventive Medicine
- Annals of Internal Medicine
- Epidemiology and Infection
- Health Economics Review
- Health Policy
- Pharmacoeconomics
- Vaccine
- Expert Review of Vaccines
- Cost-Effectiveness and Resource Allocation
- International Journal of Medical Informatics
- BMC Health Services Research
- Journal of Preventive Medicine & Public Health
- Global Public Health
- Asia Pacific Journal of Public Health
- Southeast Asian Journal of Tropical Medicine and Public Health
- International Journal of Health Economics and Management
- Israel Journal of Health Policy Research
- Journal of Global Health Science
- Korean Journal of Health Economics and Policy
- Health Policy and Management

- The Korean Journal of Public Health
- International Development and Cooperation Review
- Journal of Regional Studies and Development
- International Journal for Vitamin and Nutrition Research
- Future Drugs

Major Research Experiences

- 1) Funding Organization: The Bill and Melinda Gates Foundation (4/2015-11/2018)
Project Title: Maternal pertussis immunization to reduce deaths and severe disease in young infants: Costs and health consequences
Role: PI of subgrant
- 2) Funding Organization: The Bill and Melinda Gates Foundation (3/2014-6/2016)
Project Title: Maternal immunization to prevent neonatal deaths due to sepsis and meningitis in GAVI-eligible, sub-Saharan African countries
Role: Co-Investigator
- 3) Funding Organization: U.S. CDC (9/2013-8/2016)
Project Title: Decision-analytic modeling of the cost-effectiveness of group B streptococcal maternal immunization
Role: Co-Investigator (Lead Investigator)
- 4) Funding Organization: U.S. CDC and PATH (9/2010-8/2013)
Project Title: Cost-effectiveness of a potential group B streptococcal vaccine program for pregnant women in South Africa
Role: Co-Investigator (Lead Investigator)
- 5) Funding Organization: The Bill and Melinda Gates Foundation (2004-2011)
Project Title: Development and evaluation of HPV vaccines and related diagnostics: Global policy model (#30505)
Role: Co-Investigator
- 6) Funding Organization: Pan American Health Organization (PAHO) (2009-2012)
Project Title: ProVac Initiative, HPV Vaccine Costing Study
Role: Co-Investigator
- 7) Funding Organization: The Bill and Melinda Gates Foundation (7/2005-6/2008)
Project Title: Grand Challenge #13: Population Health Metrics Research Consortium Project
Role: Co-Investigator
- 8) Funding Organization: U.S. CDC National Immunization Program (2002-2005)
Project Title: Joint Initiative in Vaccine Economics (JIVE), Hepatitis B vaccination of patients at risk for HIV (TS-0675)
Role: Co-Investigator (Lead Investigator)

Major Teaching Experiences

Seoul National University, Seoul, Korea

Global Health
 Global Health Policy
 Methods of Global Health Research
 Global Health Program Planning and Evaluation
 Global Health Practicum
 Seminar on Global Health Issues
 Economic Evaluation in Health Care

Decision Analysis in Public Health
SNU International Summer Program: Pandemic Crisis and Global Health Policy
Volunteer Social Service 1

University of Texas School of Public Health, Houston, TX, USA

Decision Analysis in Public Health
Introduction to Comparative Effectiveness Research
Advanced Health Services Research Methods

Harvard School of Public Health, Boston, MA, USA

Practice of Health Care Management & Policy, Preceptor
Decision Science Advanced Methods Seminar, Co-Instructor
Seminar for Doctoral Students in Decision Science, Co-Instructor

Fellowships, Awards and Honors

Pascucci Graduate Student Dissertation Fellowship Harvard University	2006
Graduate Society Dissertation Completion Fellowship Harvard University Graduate School of Arts and Sciences	2005
Harvard Ph.D. in Health Policy Program Fellowship Harvard University	2001-2004
Student Prize for Highest Academic Achievement Seoul National University Graduate School of Public Health	2000
SNU Development Foundation Scholarship for Academic Excellence Seoul National University	1999
Appreciation Award for Exemplary Work Schering (Korea) Ltd.	1997
SNU Tuition Scholarship for Academic Achievement Seoul National University College of Pharmacy	1991-1994

Publications (* Corresponding author, † in Korean)

Report from the World Health Organization's immunization and vaccines-related implementation research advisory committee (IVIR-AC) meeting, virtual gathering, 10-13 September 2024. Lambach P, Silal S, Sbarra AN, Koh M, Aggarwal R, Farooqui HH, Flasche S, Hogan AB, **Kim SY**, Leung K, Moss WJ, Munywoki PK, Portnoy A, Sheel M, Wang XY. *Vaccine* 2024;43(Pt 2):126519. (SCIE)

Can health promotion facilitate development in fragile states?: An instrumental variable estimation with panel data. Ha J, **Kim SY***. *Global Public Health* 2024;19(1):2387000. (SCIE)
